

Town of Deerfield
Deerfield Solid Waste and Recycling Committee (SWC)
6PM - George B. White – BOS Conference Room
9/2/2026 - Minutes

Attendees: Lisa DuFresne, Suzanne Steele, Maureen Quinn, Marie Bolster, Melissa Zych, Scott Stantial, Sherry Godlewski

Our Meeting started at 6:16 pm

1. Approve last meeting's minutes – motion to approved by Marie Bolster, seconded by Scott Stantial, unanimous approval. Three abstentions.
2. Working Session – communications
 - a. Melissa submitted suggested website changes that we had discussed at an earlier meeting. We reviewed the suggested changes and made edits. We will submit them to Karen Clement and ask her to have Steve Jamele make the changes.
 - b. As we reviewed the Household Hazardous Waste Collection section of the website we wondered if we could provide more information to our residents about managing household hazardous waste and proper disposal.
 - i. What do residents do with Household Hazardous Waste if they are moving etc.?
 - ii. We think that Goffstown and Nashua have permanent (year-round) household hazardous waste facilities. We will check into them and include information for Deerfield residents in case they miss the household hazardous waste day. There is a fee to dispose at Goffstown and Nashua if you are not a resident of that town.

Motion to adjourn by Maureen Quinn, seconded by Marie Bolster, unanimous approval
Meeting was closed at 7:40 pm
