III. Discussion of 2026 Town Hall Reenactment-The HDC discussed the plans for the re-enactment event. Kathy Boot has conducted extensive research and found several sources of information regarding the Town Hall. From these, scripts will be created. The HDC has invited the Temple Historical Society to participate in this event. Actors will need to be recruited, and the people who participated in the cemetery event last year will be asked if they would like to participate in the Town Hall event. Two people have already come forward and will be a part of this event. The HDC agreed on a possible date of October 17, 2026, with October 24, 2026 being a "rain date". Lilliane will check with the Temple Historical Society about the proposed dates.

IV. Discussion of Completing National Register of Historic Places-No updates

V. Continued Discussion of Temple Town Ordinance Revision-The HDC reviewed and discussed the draft of Schedule A-Regulations and Review Criteria. Sections 1-9 were completed.
