Workshop – Warrant Articles

The Commission discussed potential warrant articles to propose for the upcoming Town Ballot, along with goals and objectives. One of the common objectives identified was to simplify and remove impediments to expending funds for land protection.

One warrant article was identified to be both a priority and ready to be sent to the Select Board for consideration.

Motion: To send the following warrant article to the Select Board for consideration for the upcoming 2027 Town Ballot:

“Shall the Town vote to authorize the Select Board as agents to expend from the Capital Reserve Fund previously established for the purpose of acquiring conservation land and easements? If adopted, this article shall take effect April 1, 2027, and shall remain in effect until altered or rescinded by a future vote of the Town Meeting. If this article fails the Town Meeting shall remain as agents to expend.” (Tax rate impact: \$0.00 = N.A.)

Motion by: Ms. Griswold Second: Ms. Murray

Discussion: Wording was added, to agreement of the motion maker and seconder, regarding the implications if the article fails.
