Old Business

Speed Signs: Doug Dutile stated that the state has been here twice to approve this. We have a sign post and we will place it where the DOT approved it. Doug also stated that we have a solar sign ready to installed, which is on loan from the Chief of Police. We will test it out and see if it works for us. Lindsey Hubbard asked if it is a white speed sign with the light attached. Doug said that by law it has to have the speed sign attached. Lindsey asked if it can be moved further south. She is concerned that once it is posted, it will be harder to move it to a new location. Lindsey thinks it would be better for the precinct if it was placed further south at the town line. Discussion. Mike Lavoie discussed the fact that the signs need to be attached to 35 mile per hour be sign. Mike Lavoie motioned to place the sign where it was already approved (the only approved location) with the intention of
