5:30 PM: Public Forum

The Chair opened the Public Forum at 5:30 pm. The Chair welcomed, Adele Hale to the meeting. Ms. Hale spoke to the Board about the possibility of renting out the snack shack at Oak Park during Farmer's Market Sundays. She said she had 3 interested parties who would like to provide and cook the food. Discussion followed about rental fees, insurance coverage and security deposits. The Chair stated that the Board would be discussing rental fees later in the meeting and would be able to share cost details with her and the Farmer's Market Committee at a later date.

5:45 PM: Friends of the Greenfield Meeting House

The Chair welcomed The Friends of the Greenfield Meeting House to the meeting. The Friends expressed that they wanted to see Music on the Common (MOC), remain on the common and not moved to Oak Park. Discussion followed. The Board was in agreement with MOC staying on the common but did caution that some of the shows may need to move to Oak Park this year because of the ongoing work to the outside of the Meeting House. The 4th of July festivities were discussed. Curtis Hamilton showed a rendering of the old photos that would be placed throughout the Meeting House for the 4th of July and 250 celebration. The 4th of July Committee is holding a meeting, at Oak Park, June 11, 2026, where they will be mapping out the park for the festivities.

6:30 PM: Selectboard Work Session

The Chair discussed that he would be out of town on July 8th and it was decided that there will be no Selectboard meeting that night.

The Board noted that according to a Wilton Ambulance report, they had cut mutual aid in half this past April.

Rental fees for the Meeting House and Oak Park were reviewed and new fees for the Meeting House were agreed on by a vote of 3-0. The fee for the rental of the snack shack for Farmer's Market Sundays was set at $75, with a rental process similar to any other renter.

The Board listed several issues with the Meeting House that needed to be attended to. It was noted that the Elevator was working however the light inside it was always on.

Changes to the Planning Board members were reviewed. Jim Fletcher is now the Chair. The Board went on to discuss the permitting of road side stands by the Planning Board.

Selectman Borden offered to attend the 4th of July Committee meeting on 6/11/26.
