.....

The board reviewed the MOU with the State Police Troop F. The State Police will be patrolling Randolph periodically with additional patrols as requested, at a cost, as outlined in the MOU. It was requested to get clarification on the additional patrols, and cost of the patrols.

The Health Officer appointments are a three-year appointment with expiration date of March 2026. We have reached out to the Health Officers to see if they wish to continue in their positions. A background check needs to be done and submitted prior to the selectmen making the renewed appointments.

Michele Cormier moved to reappointment David Roy as our representative to AVRDD, with John Turner as alternate. Paul Jadis seconded. All agreed.

Community Power wishes to come in and give a presentation to the Board of Selectmen. The Board respectfully declines this invitation.

Paul Kenison informed the Board of Selectmen that road bans are in place until further notice.

Linda Dupont informed the Board of Selectmen that she has reached out to NH DES and Randolph has been placed on their beach sampling schedule to begin June 2026.

The town hall generator is still questionable whether it is functioning. Paul Jadis is taking the lead to review the initial placement and follow up on the progress of repairs.

In reviewing the Warrant Articles before Town Meeting, the board reviewed the stacking of veteran's credits and how the Warrant Article will affect the veterans and the taxpayers.

Bill Demers spoke about the ADUs as outlined in the secret ballot as presented by the Planning Board.

The board adjourned at 6:50 pm to set up the Town Hall for the meeting and elections.
