Minutes of the Trustees of the Trust Funds

~~Monday, April 20th, 2026~~

June 15th, 2026

Present were: Jilletta Jarvis, Dana Wells, and Arlene Bassett.

We initialed the deposits/payments that have been processed since the last meeting.

There was a question of two duplicate payments being made. The bank has returned the duplicate checks, so it is straightened out.

Jilletta had questions about some of the cemetery lots sold in 2024 and 2025. Fortunately, Arlene had the information with her and was able to fill in what Jilletta needed.

Three Bearings has reported that from January through April, the invested funds have made $104,137.61 in interest. We have not yet received the May report.

Each time any money is sent to Three Bearings, there is a form that must be sent with it. Jilletta has run out of forms. She sent the link to Arlene who will print more forms and get them to Jilletta tomorrow.

The next meeting will be on Monday, August 17, 2026 – at 6:00.

The next meeting will be Monday, August 17th at 6:00 – in the town hall meeting room.

Respectfully submitted

Arlene Bassett
