

Master Plan Update Committee
Meeting Minutes
October 1, 2025

Members present: Donna Stone, Jon Gibson, Jean Kluk, Jed Schwartz, Nan Schwartz, Martha Robertson

The meeting was called to order at 5:30 pm.

Nan moved, Jed seconded to accept the minutes of September 16, 2025; motion carried.

The committee reviewed the draft of the 2025 Master Plan, Chapter 7, Cultural and Historical Resources that Nan presented.

There were five responses to the post-Community Feedback Event survey that Donna had sent out to the last Event's attendees. Donna had also received some in-person comments. Most responses were favorable; Donna made adjustments to this evening's Event, based on given suggestions.

Donna outlined the format for this evening's Community Feedback Event.

The Committee changed the topics of discussion for the rest of the Community Feedback Events. The new schedule is:

October 22, 2025	Land Use & Zoning
November 12, 2025	Town Services & Facilities
December 3, 2025	Rural Character & Sense of Community

At 6:00 pm, Jean moved, Jon seconded to adjourn; motion carried.

The committee then moved to the Community Feedback Event, where approximate ?? townspeople were invited to participate in crafting a version of the Vision Statement and Mission Statement for the Economic Development chapter of the Master Plan, focusing on the top three priorities that were identified in the June Community Event. The participants developed three editions of these Statements to give to the Master Plan committee to use as a basis for creating an initial draft.

The Community Feedback Event ended at 7:30 pm.

Respectfully submitted,
Martha Robertson
