

## Bethlehem Cares

August 6, 2026

The committee communicated electronically concerning an update to the July 24, 2026 meeting. AH was in contact with the applicant and learned that with all the parts needed for an XL lift, the cost would be \$2300. The applicant has received \$200 to go towards it and her case manager at Granite State Independent Living was confident that with \$1000 from Bethlehem Cares, GSIL could fund the remaining balance. All members of Bethlehem Cares communicated via email and unanimously gave their consent to give the \$1000 as had been discussed at the July meeting. AH will be in contact with the applicant to see the process through.
