Bethlehem Cares

July 24, 2026

10:00 AM

Attendees: Chris Jensen, Carol Haywood, Annalisa Blake, April Hibberd, Kay Kerr, Tina Lister

Minutes of June 3, 2026 were approved.

TL made a motion to go into non-public session. AH seconded.

2026-6 (AM) – Applicant is looking for assistance for getting a wheelchair lift for a car which costs between $2500-$3000. Her son helps transport her and this would give her mobility to shop, visit family and friends, etc. AH suggested to check places that offer refurbished equipment. It was also suggested that we could give a partial amount to help out but questions were raised about whether this would hurt her options for getting help elsewhere. AH is going to do some research into refurbished equipment available and contact the applicant. We will meet again after information has been compiled. AH will also find out if the applicant has a waiver and is mainly looking for a letter of denial to help with assistance elsewhere.

TL made a motion to move out of non-public session. AH seconded.

Meeting adjourned 10:30 AM.
