

Principal's Opening Day Report to the Raymond School Board

Amy White, Principal - Lamprey River Elementary School

2026-2027 School Year, September 16, 2026

Overview and Acknowledgements	LRES is off to a great start for the 26-27 school year! Thanks to the hard work of our Facilities Team and entire staff, the classrooms are warm and welcoming and the entire building has a beginning-of-school glow. Thank you to the PTO for sponsoring a welcome breakfast for our staff and helping everyone feel appreciated right from the start. The PTO also welcomed students to the new school year. On August 28th, 1st - 3rd grade students and families were invited to bring their school supplies to school and visit their classrooms and teachers for the first time. After putting their school supplies at their desks and touring their rooms, they went out to the playground to visit with friends, and enjoy a cool treat at Popsicles with the PTO! The following week, the PTO helped welcome new Kindergarten students with gift bags! The front office team and Amy White collaborated with Dana Zulager and the Raymond Historical Society to organize a 50th Anniversary Celebration held at LRES on 9/11 from 5:30-7pm. A huge thank you to Ms. Zulager who helped assemble hundreds of photos for guests to view and the school team who worked hard to create a welcoming evening for all! Coming soon! Information about fall clubs will be shared with families the week of 9/16. There will be an 8-week session for fall clubs, 9/28 - 11/20. Information coming soon!
Transportation	We are working closely with the Dail transportation company to make sure all students are delivered to and from home safely. Drop Off and Pick Up procedures are running smoothly.
