

Lead and Copper Rule (LCR) Compliance Notice July 2026

The Gunstock Acres Village Water District (GAVWD) is requesting homeowners' assistance in complying with the EPA and New Hampshire DES in a Lead and Copper Rule (LCR) survey.

This mandate for water districts throughout New Hampshire is required to identify the material of all customer water service lines. To help us complete this inventory, we are asking homeowners to locate and identify their incoming water service line.

You Do NOT Need to Respond If:

- Your home was constructed in 1989 or later; **or**
- You have already submitted this information in response to a previous notice.

You DO Need to Respond If:

- Your home was constructed before 1989; **and**
- You have not previously submitted this information.
- Review the list below to see if your address listed as "**Unknown**"

Please Provide: A photo showing (if able):

- The incoming water service line where it enters your home; **or**
- The connection between the service line and your home's main shut-off valve.
- The material of the service (copper or other material, if known)

Your main water service line is typically located:

- In the basement where it enters through the foundation wall;
- In a crawl space
- utility room

How You Can Help

If you can/do locate your water service line, please submit information using one of the contact methods below. If you have any questions or need assistance, please contact us.

Contact Methods: Please include your Gunstock Acres home address with all submissions

Response Deadline: All responses must be received by September 18, 2026.
