

Master Plan Update Committee
Meeting Minutes
November 12, 2025

Members present: Donna Stone, Paul Dulac, Jon Gibson, Kim Kapteyn, Jed Schwartz, Nan Schwartz, Martha Robertson

The meeting was called to order at 5:34 pm.

Nan moved, Jed seconded to accept the minutes of October 22, 2025; motion carried.

Donna outlined the format for this evening's Community Feedback Event.

December 3, 2025 meeting

- Since the subject of preserving the rural character of the town has been raised and discussed at all the prior Community Feedback Events, the committee agreed it would be redundant to hold a separate Community meeting for this topic.
- Instead, the December 3, 2025, meeting will be a committee working meeting to plan how to proceed with the next steps in forming the Master Plan.
- In advance of this meeting, copies of the 2015 Master Plan chapters will be distributed to the committee members to highlight the parts that need to be updated.

Nan will send an email to send to Town Boards and Committees to ask them for their updated goals to be included in the new Master Plan.

At 5:45 pm, Jed moved, Jon seconded to adjourn; motion carried.

The committee then moved to the Community Feedback Event, where ?? townspeople (including the members of the MPC) were invited to participate in crafting a version of the Vision Statement for the Town Services and Facilities chapter of the Master Plan, focusing on the top three priorities that were identified in the June Community Event.

The Community Feedback Event ended at 7:30 pm.

Respectfully submitted,
Martha Robertson
