Called to Order: The meeting was called to order at 6:40pm by Select Board Chair Kate Batcheller, attendance was taken by roll call as reflected above.

- Reviewed YTD budget:
 - Line item #4312-05 (Equipment Maintenance) – Need to monitor closely. The backhoe has been repaired, the cost was ~\$2300. Truck #074 is at A1 now.
- Dave was asked to organize the quonset hut to determine if it is possible to move Engine 4 here once Engine 2 arrives. Also, the fire truck (not owned by the Town), needs to be removed by 9/1/26.
- A part-time application was reviewed – Dave to call and offer employment.
- Greenville Rd paving project – Hammering is done, the road is currently open. It will be sporadically closed for culvert install. Paving hoping to start late July / early August.
- Marcel Rd project – To begin once further progress on Greenville Rd is done.
- There is a pending PA-7 with a planned landing area off Greenville Rd. Dave has been in contact with the Forester and the logger and discussed the Greenville Rd paving project. The landing shouldn't interfere with the paving, however, if there are concerns Dave will discuss an alternate landing location with them.
- A resident inquired about performing work on Scripps Lane. There is currently no project pending. The resident is welcome to put in a professional bid for contracted work if and when a project arises.
- Dave to continue looking for a mower.

Adjournment: There being no further business, Kate motioned to adjourn, second from Rob. Roll call vote Kate-aye, Rob-aye, Antje-absent. Meeting adjourned at 7:28pm.

Respectfully Submitted,

Jennifer Tenney
