GREENLAND SCHOOL BOARD
Visitor Participation at Meetings

Welcome to this evening's board meeting.

The Board encourages residents to attend Board meetings so that they may become acquainted with the operation and programs of the schools. Additionally, the Board will provide an opportunity for members of the public to provide input and comment at Board meetings consistent with the meeting and participation rules as described below. Policy [BEDH](#) sets forth the standards and meeting rules that apply to the public in attendance at Board meetings, and to the opportunity for the public to provide comment at Board meetings. Opportunity for public comment is restricted to residents of the district. Non-residents may only address the Board for public comment by permission of the Board Chair.

Members of the public shall not speak unless recognized by the Board Chair or other person presiding over the meeting ("Chair" shall apply to either). The Board will generally schedule the public comment period in the first half of its meetings. The Board will provide a minimum of thirty minutes to hear public comment. This period may be extended by a majority vote of the Board. Additionally, the Board may include additional public comment periods for specific agenda items with a time limit for public comment specified on the pertinent agenda. If speakers do not fill the minimum 30 minute public comment period, the Board will move the remainder of the time until the end of the meeting. Individual speakers will be allotted three minutes per person and each speaker will be permitted equal time.
