Agenda

1. Review status of existing gravel pits in Brookfield
2. Documents review:
 - a. Moose Mountain and Smith pits
 - b. Existing Brookfield earth Excavation and Restoration Regulations
 - c. **RSA 155-E** operational standards*
3. Town Gravel Pit Inspection form – updates to be made
4. Next steps and action items

****NH RSA 155-E governs gravel pits, excavation, and reclamation. It applies to the commercial excavation of earth materials, including sand, gravel, rock, soil, and construction aggregate.***
