Additionally, section **Title VIII, Part C and bullet point A-G** have been added this year for those subrecipients participating in any of the Title Programs and/or receiving school improvement funding. While these are new to the document, they are not new to statute. Please review to ensure compliance.

Lastly, the language within this document has been updated to reflect a broad array of subrecipients. Determine needs based on whether these or other barriers may prevent students, teachers, or other staff from such access to, or participation in, the federally funded projects or activities.

Each subrecipient accepting federal grants must provide a description of how it will ensure equitable access for students and teachers to participate in federally assisted programs. Please provide a clear and succinct description of how the subrecipient plans to address the barriers that are applicable to the subrecipients needs.

Program Assurances are reviewed and signed by the Subrecipient Authorized Official, indicating agreement with the laws and regulations specific to a grant type. (3) Expenditures made from funds provided by the Federal government for which the SEA is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the SEA may not be considered in determining whether an LEA meets the standard in paragraphs (b)(1) and (2) of this section.

(c) *Subsequent years.*

(1) If, in the fiscal year beginning on July 1, 2013 or July 1, 2014, an LEA fails to meet the requirements of §300.203 in effect at that time, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required in the absence of that failure, not the LEA's reduced level of expenditures.

(2) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of paragraph (b)(2)(i) or (iii) of this section and the LEA is relying on local funds only, or local funds only on a per capita basis, to meet the requirements of paragraph (a) or (b) of this section, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under paragraph (b)(2)(i) or (iii) in the absence of that failure, not the LEA's reduced level of expenditures.

If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of paragraph (b)(2)(ii) or (iv) of this section and the LEA is relying on the combination of State and local funds, or the combination of State and local funds on a per capita basis, to meet the requirements of paragraph (a) or (b) of this section, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under paragraph (b)(2)(ii) or (iv) in the absence of that failure, not the LEA's reduced level of expenditures.

(d) *Consequence of failure to maintain effort.* If an LEA fails to maintain its level of expenditures for the education of children with disabilities in accordance with paragraph (b) of this section, the SEA is liable in a recovery action under section 452 of the General Education Provisions Act (20 U.S.C. 1234a) to return to the Department, using non-Federal funds, an amount equal to the amount by which the LEA failed to maintain its level of expenditures in accordance with paragraph (b) of this section in that fiscal year, or the amount of the LEA's Part B subgrant in that fiscal year, whichever is lower. (*Approved by the Office of Management and Budget under control number 1820-0C00*) (*Authority: 20 U.S.C. 1413(a)(2)(A), Pub. L. 113-7C, 128 Stat. 5, 3S4 (2014), Pub. L. 113-235, 128 Stat. 2130, 24SS (2014)*)

§ 300.204 Exception to maintenance of effort.

Notwithstanding the restriction in §300.203(b), an LEA may reduce the level of expenditures by the LEA under Part B of the Act below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:

(a) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.

(b) A decrease in the enrollment of children with disabilities.

(c) The termination of the obligation of the agency, consistent with this part, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child--

(1) Has left the jurisdiction of the agency;

(2) Has reached the age at which the obligation of the agency to provide FAPE to the child has terminated; or

(3) No longer needs the program of special education.

(d) The termination of costly expenditures for long-term purchases, such as the

acquisition of equipment or the construction of school facilities.

(e) The assumption of cost by the high cost fund operated by the SEA under §300.704(c).

(b) *Use of amounts to carry out activities under ESEA.* If an LEA exercises the authority under paragraph (a) of this section, the LEA must use an amount of local funds equal to the reduction in expenditures under paragraph (a) of this section to carry out activities that could be supported with funds under the ESEA regardless of whether the LEA is using funds under the ESEA for those activities.

(c) *State prohibition.* Notwithstanding paragraph (a) of this section, if an SEA determines that an LEA is unable to establish and maintain programs of FAPE that meet the requirements of section 613(a) of the Act and this part or the SEA has taken action against the LEA under section 616 of the Act and subpart F of these regulations, the SEA must prohibit the LEA from reducing the level of expenditures under paragraph (a) of this section for that fiscal year.

(d) *Special rule.* The amount of funds expended by an LEA for early intervening services under §300.226 shall count toward the maximum amount of expenditures that the LEA may reduce under paragraph (a) of this section. *(Approved by the Office of Management and Budget under control number 1820-0C00) (Authority: 20 U.S.C. 1413(a)(2)(C))*

(1) *Services and aids that also benefit nondisabled children.* For the costs of special education and related services, and supplementary aids and services, provided in a regular class or other education-related setting to a child with a disability in accordance with the IEP of the child, even if one or more nondisabled children benefit from these services.

GEPA 427 General Educational Provisions Act Requirement

Section 427 of the General Education Provisions Act (GEPA) (20 U.S.C. 1228a) applies to applicants for grant awards under the formula programs within these Program Assurances. All applicants must include answers to the following four (4) sections.

1. Describe how your entity's existing mission, policies, or commitments ensure equitable access to, and equitable participation in, the proposed project or activity.
The school district does not discriminate on the basis of gender, race, national origin, color, disability, or age in its education program, services, and activities. In carrying out its educational mission, our district will continue to ensure to the fullest extent possible the equitable participation of, and appropriate educational opportunities for, those individuals involved. Federally funded activities, programs, and services will be accessible to all teachers, students, and other program beneficiaries to allow full participation in the proposed projects
2. Based on your proposed project or activity, what barriers may impede equitable access and participation of students, educators, or other beneficiaries?

Equitable access and participation in education programming can face numerous barriers that hinder the learning process. Financial constraints, especially in terms of tuition fees, textbooks, and transportation costs, can limit students' ability to pursue education. Geographical disparities, particularly in remote or rural areas lacking proper infrastructure and internet connectivity, pose additional challenges. Cultural norms and discriminatory practices may restrict certain groups, such as girls or minorities, from accessing education. Language barriers and limited proficiency in the language of instruction further exacerbate the issue, hindering comprehension and participation. Physical disabilities and inaccessible facilities also impede students' educational journeys. Social factors like socioeconomic status, gender, and ethnicity can create inequalities, while psychological hurdles like low self-esteem or trauma can also create barriers.

3. Based on the barriers identified, what steps will you take to address such barriers to equitable access and participation in the proposed project or activity?

To foster equitable access and participation in our proposed project or activity, a comprehensive approach will be adopted. This involves implementing financial aid programs to alleviate the financial burden on students, improving infrastructure in underserved areas for better access to educational facilities and internet connectivity, and promoting cultural sensitivity through inclusive teaching practices. Additionally, language support programs will be provided to assist students with limited language proficiency, while ensuring accessibility for students with physical disabilities. Social equity initiatives, such as mentorship programs and diversity initiatives, will address social disparities, alongside psychological support services for students' well-being. Advocating for policy reforms to eliminate discriminatory practices and ensure equal opportunities, integrating technology for enhanced learning experiences, and enhancing educational quality through curriculum improvements and professional development for educators will further contribute to overcoming barriers and fostering an inclusive educational environment.

4. What is your timeline, including targeted milestones, for addressing these identified barriers?

In the fall of 2026, information related to this grant will be reported to the faculty and staff at faculty meetings. Additionally, it will be shared with our school board at public meetings. The SAU publishes regular messages sent to the community and posted on our website in addition to the NHED iGrant informational site.

Develop and maintain a written policy on parent and family engagement and work in consultation with schools as they develop and implement their plans for activities under *Section 111C*. Parents shall be notified of this policy in an understandable and uniform format and to the extent practicable, provided in a language the parents can understand. Such policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the school. *Section 111C(b)(1)*.

Conduct outreach to all parents and family members and implement programs, activities, and procedures for the involvement of parents and family members in programs assisted under this Part consistent with this Section. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children. Each LEA shall develop jointly with, agree on with, and distribute to, parents and family members of participating children a written parent and family engagement policy. The policy shall establish the LEA's expectations and objectives for meaningful parent and family involvement. *Section 111C(a)(1-2)*.

- **PROVIDE TIMELY STUDENT REPORTS TO PARENTS AND TEACHERS**

Ensure that the results from the statewide academic assessments required under *Section 1111(b)(2)* and *Section 1204(b)(1)* will be provided to parents and teachers as soon as practicable after the assessment is taken, in an understandable and uniform format and, to the extent feasible, in a language that the parents can understand.

- **PUBLICLY DISSEMINATE ANNUAL LEA AND SCHOOL REPORT CARDS**

Disseminate LEA and school report cards containing, at a minimum, information on teacher quality, assessment, and school and LEA accountability to all schools in the LEA and to all

parents of students attending those schools in an understandable and uniform format and, to the extent practicable, in a language that the parents can understand, and make the information available through public means. *Section 1111(h)(2)*.
